LIBERTY TRUST NEWS - NO. 16 - MARCH 1995

Dear Contributors and Sponsors,

Greetings in Jesus Name.

We trust you had a blessed Christmas and restful days off.

Mortgages Progress

In the last 3 months a further 4 mortgages have been repaid to us. Two were paid from house sales, one from redundancy, and one paid off. Two Group One mortgages have been refinanced interest-free in February and March. Group Two now has 27 members. Tell your friends as the more there are, the quicker the fund builds up, for every-one's benefit.

Mortgage Rate Update

The recent rise in average mortgage interest rates from 7.75% in November to 11% now has reminded us that it is time we asked everyone for their bank mortgage details again. This is to ensure that everyone will save more by belonging to Liberty Trust than they will pay in contributions. Will you please fill out your details and return them in the enclosed envelope, if you have a mortgage. This is for your benefit.

Contact Booklet

The "Contact" booklet of Bay of Plenty Christian businesses, services, and churches, has an excellent article on Liberty Trust which we just had to reproduce for you. This is already drawing many inquiries from folk. Note the photo of Graeme and Colleen Thurman, the first to finish paying off their mortgage. Congratulations to them. They are now much freer to give and live the Kingdom lifestyle!

Be a Blessing where you are

Use this "Contact" article for publicity. Put it on your church notice board etc, and a reference to it in your church newsletter. Some folk don't realise that we are accepting new applications. They need us, and you need them. A recent ballot will be paying only 40% of what she would otherwise have paid! Be a blessing!

Together with you in Jesus,

KELVIN DEAL
