“Go into all the world and preach the Gospel, teaching them to observe all things.”

Once again a big welcome to everyone, and a special welcome to new faces.

From Your Chairman

Lately God has been saying to me that some see Liberty Trust's teaching as an alternative "scheme", but that He does not. It is His plan for all of us.

This can be quite scary, as we cannot possibly shoulder that responsibility. His answer has been to teach from the Bible and show others. Even that seems daunting. However, as we have prayed He has been saying "Don't worry. The future is in My Hands not yours." I think this is a message for all of us. We are all in His Hands just as He said, "Go into all the world and preach the Gospel, teaching them to observe all things". We underestimate God's Lordship when we worry.

So tell your friends - the best references come from committed people who can speak from the heart. Most of our enquiries come from articles in Christian publications, but most of those who join are friends and family of present members.

We long for the time and resources to write books and send out

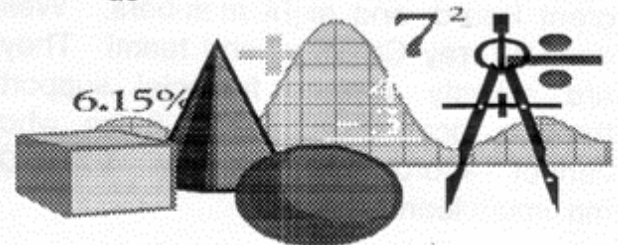

endless teaching materials, but God is saying, "Not by might, nor by power but by My Spirit" (Zech 4:6). Our way could build a monolithic financial organisation. His Way will see the "Storehouse" permeate every part of His Kingdom. Only He understands the last chapter.

Visit to Waipukurau

You are welcome to come to our Liberty Trust visit to Central Hawkes Bay, which is planned for 30 November & 1 December. Pastor David Lewis will be our host. Enquiries to phone 06 857-7191 or to P.O. Box 354 Waipukurau, or to us.

Mortgages

Our cashflow has reached \$1000 per day, enabling us

to ballot more often. We have paid out one mortgage each month lately. Now 45 homes are interest free through Liberty Trust, Praise the Lord. Members continue to join at one per week. Loans given to Group One members are now double the contributions they have given, just as forecast.

It will happen!

Testimony by Mike and Robyn Davies

One night as I walked my dog, I told God it would be really neat to receive our interest free ballot soon, to relieve the pressure off our shoulders of the burden of paying interest. A month later we thanked God that we had, and we write to encourage others. This loan will save our family \$30,000 - \$40,000, and allow this money to be used to further the work of the Kingdom of God.

"We are proud to be part of Liberty Trust, as we all enable such amazing things to be accomplished. If you are feeling disheartened, we want to tell you not to give in to it. It will happen for us all. There is that certainty of light at the end of the tunnel. God has everything in His Hands, He controls all things including your loan. He controls the timing of your ballot, just wait and see!"

Other Liberty Trusts

We really appreciated the visit of Keith and Pam Godfrey from Liberty Trust Auckland who spent a weekend of fellowship and sharing with us recently, as did a team from Liberty Trust Tauranga which joined us on the Saturday night. Tauranga now have a great Board, and eight members. Well done Murray Crowther and team! They are actively seeking financial support through local churches for those who cannot afford \$30 for the \$90,000 maximum loan.

Flexibility in Loans

The Trustees have resolved to allow Group Two and Three members to take up 1.5 or double memberships if they wish in recognition of house prices in different parts of New Zealand.

Tertiary Christian Fellowship Newsletter

A quote from the article "Death by Debt":

"BUT LET'S FACE IT, THE BIGGEST TEMPTATION WHEN WE HAVE BECOME DEBT-FREE IS TO BUILD NEST EGGS, RATHER THAN SEEING THAT THE RESOURCES WE HAVE BEEN ENTRUSTED WITH ARE THERE FOR GOD'S BENEFIT."

Food for thought! What will you do with the freedom God will give you?

 God bless you and your families
 Kelvin Deal, Chairman

Group Two Mortgage Update Reply

Unless you have been phoned recently for an update of your existing mortgage, please send us the following:

Name _____

Signed _____

My mortgage is with _____

Approximate Balance \$ _____

as at _____

I pay \$ _____

weekly/fornightly/monthly/other (circle one)
