Summer Greetings!

A warm **Welcome!**

to our new members. These include:

- ♥ an OMS missionary couple,
- ♥ a Samoan AOG pastor from Northcote,
- ♥ a young Manukau man,
- ♥ a young Hamilton family,
- ♥ Graham Capill, former leader of the Christian Heritage Party,
- ♥ Palmerston North members, who are now sponsoring missionaries from their church,
- ♥ and Carl & Sharlene Pilkinton, who sent us this lovely photo (right).

Carl & Sharlene are with SIM (Serving In Mission) working with the mostly Moslem nomadic people in Burkina, West Africa. They returned to their small home in Titahi Bay to have baby Isaac, who was born on 2 November.

They will tenant their home and return to Burkina in February when Isaac is 3 months old. They plan to enlarge their home with an Ark Resources interest free loan. We pray God's blessings upon the three of them and their ministry.

Thanks!

We wish to thank and acknowledge the work and guidance of Robin Deal, who has directed our marketing over the last several years and has recently stepped aside to concentrate more fully on his family, work, and studies. Through his encouragement we were featured in the January issue of the Day Star magazine.

We are printing off new brochures to give out at the Parachute Christian Festival later this month. If you are there please come and introduce yourselves, we'd love to get to know you better.

But let me tell you something wonderful, a mystery I'll probably never fully understand.

We're not all going to die—but we are all going to be changed.

With all this going for us, my dear, dear friends, stand your ground. And don't hold back.

Throw yourselves into the work of the Master, confident that nothing you do for Him is a waste of time or effort.

1 Cor 15 v 51,58 TM

AFTER EDEN

For since the creation of the world God's invisible attributes, His eternal power and divine nature, have been clearly seen, being understood through what has been made, so that they are without excuse. Romans 1:20

Greater Liberty through Liberty Trust!

Against a backdrop of rising world interest rates, we announced in our last newsletter a major new policy change that will make your Liberty Trust membership even more valuable and worthwhile.

Until now members have contributed one-fifth the cost of their loan to Liberty Trust to grow the pool of funds available for lending. After much prayer, consideration, and computer modelling, **the Trustees have reduced the cost of joining Liberty Trust by half!** Even better news, this benefit has been backdated to include all funds contributed since 1 July 2004, Liberty Trust's fifteenth anniversary.

Here's how it works:

All members will still contribute 20% of their loan over ten years. Then half of the contribution will be made available to either credit their loan owed or as contributions on a new Liberty Trust membership.

The ramifications are huge!

So spread the word! There's never been a better time to contribute to Liberty Trust and see people set free from bondage to rising interest rates and debt.

To those nearing their 10 year anniversary have a think about who you'd like to donate half of your recent contributions to. You could sponsor your pastor, missionary society, a struggling family in your church, or your children. They can benefit from your contributions and then also pass on this blessing at their 10 year anniversary. You can start a legacy of liberty!

*Therefore, as we have opportunity, let us do good to all people,
especially to those who belong to the family of believers. Gal 6 v 10*
